

DOMINUS VOBISCUM SUMMER 2005

Welcome to Dominus Vobiscum Retreat Centre. This summer will mark the sixth season for the retreat centre. Through the participation and efforts of volunteers, retreat centre families and in collaboration with the Foundation of Catholic community Services and the Newman Centre, the retreat centre has been transformed into a marvelous site for Christian families to gather during the summer. The retreat centre remains a “work in progress”, operated on an extremely tight budget and staffed by volunteers.
